

Limited Domestic Warranty

CTCCNC

The machine has a six month limited domestic warranty from date of purchase.

Warranty covers faulty parts and manufacture.

The warranty does not cover software issues, misuse, consumables, wear and tear
(determined by supplier.)

The warranty covers the machine only there is no liability for any consequential damages or
loss in time or money.

Warranty is return to supplier.

In the first instance the customer should read all supplied paperwork, videos and
information to confirm machine is setup and being used as indicated in instructions.

Initial contact by phone or internet will be used to try and resolve any problem with the
cooperation of the customer.

If any problem cannot be resolved via phone or internet the machine needs to be repacked
in protective crate and returned to supplier. The customer is responsible for all charges
involved in packing, freight and insurance for return to supplier and freight for return to
customer when repaired.
